Overcharged.

"Mercy!" ejaculated young Mrs. Kidder in the midst of her reading. "Here is an account of a woman who sold her baby for 50 cents!"

"Oh, well," returned her bachelor brother, who had at sundry times cared for the children while his sister went shopping. "All kinds of swindles are being worked nowadays."

NEGRO YOUTH GETS 7 YEAR SENTENCE

Isaac Parks, Colored Youth, Tried as Delinquent—Charge of Criminal Assault Dismissed.

The jury for the week was at last gotten together this morning when court was opened at 9 o'clock and the first case on call was that styled the State of Texas vs. Isaac Parks, indicted by the grand jury just adjourned for criminal assault committed several weeks ago on a Bohemian girl just east of the A. and M. College. After the jury was selected the defendant's attorney made a motion to quash the indictment on account of the young negro being under 17 years of age. After this was proven to the court the charge was dismissed and the negro was tried by the court as a juvenile or a delinquent and was found guilty and sentenced to the State reformatory for seven years or given an indeterminate sentence.

The next case on call was that styled the State of Texas vs. Theodore Ward, charged with criminal assault also. On motion of the defendant's attorney the case was continued on account of the absence of a very important witness.

The court at this point excused the jury until 9 o'clock tomorrow morning and then adjourned.

COMMERCIAL CLUB DIRECTORS MEET

Open Meeting of Entire Membership Will Be Held Sept. 26th in Carnegie Library Auditorium.

The regular weekly meeting of the directors of the Bryan and Brazos County Commercial Association was held in the club rooms this morning. The feature of the meeting was to have been with reference to a gas plant for Bryan, but the gentleman from Tyler who was to have been on hand wired Secretary McElroy this morning that it would be impossible for him to arrive before next week, hence this matter was not touched.

The matter of the coming of the Synod of the Presbyterian church of Texas was brought up and discussed at length and a resolution was adopted whereby the Commercial Association will lend every possible effort for the entertainment of the visitors. An automobile trip will be arranged for and this body of town builders expect to do everything in their power to make these church people have a pleasant stay in the city.

In accordance with the new by-laws of the club a regular quarterly meeting of the entire membership of the association was arranged for on next Tuesday night, Sept. 26th, at Carnegie Library. Every member of the association will be expected to attend and a set program will be arranged and announced later.

BIRTHDAY CELEBRATION.

Mr. D. M. Dansby Had Family With Him on 75th Anniversary.

The home of Mr. and Mrs. D. M. Dansby, on 23rd street and Houston avenue, was the scene of a pleasant gathering on last Saturday, the occasion being Mr. Dansby's 75th birthday. On this occasion this venerable and well beloved citizen had his children, grandchildren and other relatives in his home to enjoy the day with him. A splendid dinner was prepared under the direction of his good wife, which was greatly enjoyed by all present. The day was one of much pleasure for all, not the least of which, were the many reminiscences given by Mr. Dansby pertaining to the early days of Brazos county, the war and other topics of common interest to all.

Mr. Dansby has resided in Brazos county for fifty years and has lived to see what was then little more than a wilderness made to bloom and blossom as the rose. He is not only familiar with the development of the county, but with its history, the men who have lived here and passed on by removal or death, and with the many stirring events that have taken place within its borders. His recital of these things is always of the keenest interest.

Mr. Dansby was a valiant soldier of the Confederacy, and while his native modesty prevents him from speaking of his service except upon the rarest occasions, yet it is well known that the South had no braver defender or more loyal son. His crippled hand and arm, a badge of immortal glory, tell of heroism shown upon the bloody field of Lookout Mountain.

In the fifty years that Mr. Dansby has lived in Brazos county his life has been an open book and his name is a synonym for honor and integrity of the highest type. No man enjoys more completely the respect, the esteem and unshaken confidence of his fellowmen than he.

Mr. Dansby had with him on Saturday to enjoy his birthday with him, Mr. and Mrs. M. F. Dansby and children; Mr. and Mrs. E. U. Peters and children; Mr. and Mrs. D. P. Dansby; Mr. and Mrs. Guy M. Dansby; Dr. and Mrs. George F. Lee; Mrs. Samantha Dansby, and his only sister, Mrs. Flournoy Cole. The nine grandchildren present filled the hours with mirth and laughter and the day was one of great happiness for all.

COMING OF SYNOD A GREAT EVENT

Presbyterian Church and Citizens of Bryan Have Great Opportunity in the Coming Meeting.

As has been previously announced, the Presbyterian Synod of Texas will meet in this city from the 10th to the 15th of next month. It was with considerable difficulty that Pastor Storey was able to get this assembly to meet in Bryan, as there were a number of contestants at the last meeting for the 1916 gathering. Before an attempt was made, however, Rev. Storey had the co-operation of the Pastors' Association of the city promised him, and of course he has the backing of the entire citizenship.

The Synod of Texas is no small meeting by any means. Below we give some statistics of this body which will give some idea of the magnitude of the work they are doing:

Statistics for the Synod of Texas for the year ending March 31, 1916:
Ministers 211
Churches 445
Officers 2,522
Additions to church 4,568
Total number communicants 36,823
Baptisms 1,747
Sunday school enrollment 36,411
The total contributions for the year were \$513,306.00, nearly \$14 per member. Of this, \$374,205 was spent in maintaining the work, including pastors' salaries and all incidental expenses, while \$139,097 was devoted to benevolent causes.

For mission work abroad \$43,626
For mission work at home 46,645
Sunday school extension 3,896
For orphans 13,306
Education 19,662
Miscellaneous benevolences 15,158

The coming of this great meeting to Bryan is of no little importance and will afford the citizenship of Bryan a great opportunity to advertise Bryan

KICK ON PROPOSED MEXICAN TAX RATE

American Mine Owners in Mexico Say Tax Rate Would Amount to Confiscation of Property.

Washington, Sept. 19.—American corporations having idle mines in Mexico have appealed to the State department to protest against the new mining decree reported under consideration by Carranza which, they declare, might operate to confiscate their property. Carranza, they say, proposes to increase taxes on developed mines in specified districts, now closed because of unsettled conditions. The ostensible purpose is said to be to give employment to idle Mexicans.
